RESTROOM TRAILERS

PREMIER SINGLE TOWABLE TRAILER

The towable trailer is a reliable transportation solution for work areas where crews need the flexibility to move a portable restroom around the site.

USES

➤ Construction ➤ Agricultural ➤ Production ➤ Seasonal ➤ Emergency

SPECIFICATIONS

- Length w/o Hitch: 48"
- Length w/ Hitch: 89"
- Height w/o Wheels: 7.5"
- Height w/ Wheels: 25"

FEATURES

- Comes with a SWPPP containment pan
- Designed for off-road and paved surfaces
- Construction and agricultural workers don't stay in the same spot for long, and the trailer keeps you and your employees from having to walk a long distance to use the restroom.

When it comes to equipment rentals and onsite services, no one sets the standard for simplicity like Diamond.
