TEMP POWER CABLE RAMPS

Cable ramps are the perfect solution for protecting cable wires from foot traffic and small vehicles. They eliminate the need for burying and stringing cables at sporting events, golf tournaments, etc.

USES > Construction > Events > Emergency

SPECIFICATIONS

- > Cable protector
- > For light vehicle to travel over
- > Reduces trip-hazard
- > For indoor or outdoor
- > Top hinged for easy access

When it comes to equipment rentals and onsite services, no one sets the standard for simplicity like Diamond.
