PUMPING SERVICES WASTEWATER HOLDING TANKS

Holding tanks are a great solution for temporary office trailers, bulk waste storage needs or toilet waste. Diamond's 110-gallon, 250-gallon or 500-gallon holding tanks fit perfectly under an office trailer and can be easily moved when the trailers move.

USES

- Toilet Waste
- Job trailers
- Office trailers
- Restroom trailers
- Shower trailers
- Gray Water
- Freshwater

When it comes to equipment rentals and onsite services, no one sets the standard for simplicity like Diamond.
