FENCING SANDBAGS

Sandbags add stability and support to your fence panels. When your temp fence is in a highly congested pedestrian area, or in an area with high winds, a sandbag is a perfect solution for your site.

USES > Events > Emergency

SPECIFICATIONS

- > Approximately 34 lbs.
- > Placed on fence panel stands for maximum support
- > Made of tightly woven nylon fabric

When it comes to equipment rentals and onsite services, no one sets the standard for simplicity like Diamond.
