## PUMPING SERVICES SEPTIC PUMPING

Regular septic pumping is key to maintaining a healthy residential septic system. Proper care and maintenance can save you thousands of dollars down the line. Diamond has you covered with services that include: septic pumping, cleaning, minor repairs and inspections.

### SIGNS IT'S TIME TO GET YOUR SEPTIC TANK PUMPED:

- Odors
- Every 3-5 years
- Slow draining sinks/showers
- Water back-ups
- Wet spots and/or sunken ground around the disposal area

When it comes to equipment rentals and onsite services, no one sets the standard for simplicity like Diamond.
